WOLF, D.J. January 5, 2006

It is hereby ORDERED pursuant to Fed. R. Evid. 615 that, except for the designated representative of the government and the defendants, each potential witness:

1. Shall not discuss this case, including but not limited to his or her prospective testimony, with any other witness;
2. Shall be excluded from the courtroom when other witnesses are testifying; and

This Order shall not operate to prevent counsel from conferring with a witness prior to, or during breaks in, his or her testimony. However, unless protected by the attorney-client privilege or some other applicable privilege, such communications may be explored on direct and/or cross-examination of the witness.
